

```
Grid::compute_grid
```

```
graph LR; A[Grid::compute_grid] --> B[Grid::dist_squared]
```

A diagram illustrating a function call flow. It consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray background and contains the text `Grid::compute_grid`. The right box has a white background and contains the text `Grid::dist_squared`. A dark blue arrow points from the right side of the left box to the left side of the right box, indicating a call or dependency from the first function to the second.

```
Grid::dist_squared
